

## Ford Madox Brown (1821-'93) Work 1863

It took Ford Madox Brown over two years to paint 'Work'. It shows a mixture of Victorian people, all different ages, some rich and some poor.

How many people can you see in the painting?

\_\_\_\_\_

How many animals can you see in the painting? \_\_\_\_\_

In the picture below, colour in all the rich people **orange** and all the poor people **green**.
