

Aston Hall - Key Stage 1 and 2

Schools' Booking Form May 11 – July 12

The grand old mansion's long established teaching service continues. The sessions on offer support the existing primary curriculum – these will be adapted as more becomes known of the government's plans.

Visiting classes can take advantage of a new education suite, improved interpretation and up-to-date hospitality facilities in the restored stable block. Sessions are supported by an extensive range of replica costume, artefacts and props, and paper and e-learning materials.

Sessions can now be booked from May 2011 – July 2012 with our subscription offer.
