Please note that some loans are periodically removed for redevelopment or conservation. Whilst every effort is made to give you your first choice of loans, we may, occasionally have to offer alternatives. Boxes which have been redeveloped may be subject to a charge. You will be informed if this is the case.

## **LOAN PERIOD**

The loan period is for a half term, approximately 4 weeks.

## DELIVERY SERVICE

We operate a mandatory delivery service for Birmingham LEA schools and those in the surrounding areas, whereby you have your loans delivered to your school. They are also collected at the end of the half term.

This service operates at a small charge to cover costs.

### Birmingham LEA Schools

£20 per half term or £70 for a year (6 half-terms)

### Non Birmingham LEA Schools within 20 miles (by road) of B7 4RQ

£25 per half term or £80 for a year (6 half-terms)

On arrival at the school, the boxes will need to be checked through and signed for by a member of staff. This does not have to be the staff member that ordered the boxes. Most often, a school receptionist will take responsibility for signing for the loans boxes. If you would like your school receptionist to take responsibility for checking the boxes please let them know what to expect.

The checking/signing process is simple, and should not take more than 2 minutes per box. It involves looking through the loans box with the delivery person and checking that everything written on the contents list is in the box, and in good condition. If there are any discrepancies between the contents list and the actual contents a note is made of this on the delivery sheet and the box is signed for against this. At the end of the half term this list is used as reference and the boxes are checked for contents and condition before leaving the school.

All schools must have loans boxes ready at their reception desk from the Monday of each loans collection week. **If boxes are not available when the collection van arrives you may be charged an additional collection fee if the waiting time exceeds 10 minutes.**

## PAYMENT

**All orders totalling £25.00 or less must be paid for by cheque.**

Please make cheques payable to Birmingham City Council and send them to Birmingham Museum & Art Gallery Schools Loans Service, c/o Liz Smith Learning Department, Birmingham Museum & Art Gallery, Chamberlain Square, Birmingham, B3 3DH.

Payment must be made within 30 days of the start of the half-term the loan is booked for.

**Payment for orders over £25.00 will be journalled from your School account** after the loans items have been received by the school. In the case of subscriptions and yearly delivery, payment will be taken at the beginning of the booking period.

## **CARE OF LOANS**

**The teacher who orders the loans is responsible for looking after them.**

Most of them are irreplaceable and should be treated with respect! Please keep them in a secure place in school, especially overnight. If any loss or damage occurs, please inform the Schools Loans Service at once. **Do not attempt repairs.** Children can try on the replica costume, but please choose children of suitable size! Any damage to replica costume and artefacts will be charged to the school concerned, so that we can purchase replacements.

## **ALL LOANS**

Please check all items are present when you re-pack loans.

**They will be checked in your presence when they are collected.**

## **NATURAL HISTORY LOANS**

Specimens in the natural history collection that are not suitable for handling are displayed in Perspex boxes which give an 'all-round view' when removed from their carrying cases. **Some boxes are quite large, heavy and difficult to carry.**

Please make sure that the Perspex boxes are correctly positioned on the runners within the wooden boxes. If they are transported incorrectly it can damage them.

## **SUGGESTED CROSS CURRICULAR LINKS**

Whilst the loans boxes have been listed by subject, they contain resources that can be used to support teaching across the curriculum. We have made some suggestions for subjects which may be supported by the specific loans boxes.

All loans can support Personal Learning and Thinking skills and the Every Child Matters agendas.

## **RECOMMENDED KEY STAGE**

We have recommended the different key stages we feel that the loans boxes are most appropriate for. However, we welcome other suggestions for where they might creatively fit into the curriculum.

## **RinR LOANS**

With support from Renaissance in the Regions funding stream, the service has expanded its range of loans boxes. These newer loans boxes are highlighted as “RinR” on the loans list.

## **INSET**

We provide free INSET sessions at Birmingham Museum & Art Gallery.
